

Elector: Bob Fromer

Bob is an American who has lived continuously in Britain since 1969 and has been involved with British baseball and softball since the mid-1980s. He was the founding CEO of BaseballSoftballUK when the organization was created in 2000 with support from Major League Baseball International, and for several years was a member of the British chapter of SABR. Bob has functioned as a BBF League Commissioner and has reported on the GB

Senior Team at several European Championships as well as organizing coverage of BBF league play over the past several years for the BBF website, editing all divisional reports and reporting on National Championship competitions. As a child, he lived in several cities in the Eastern United States, which is where he developed allegiances to both the New York Yankees and Pittsburgh Pirates.
